

JOURNEY TO ZERO

ZERO ACCIDENT JOURNEY

1. Make the safety of yourself and others the #1 priority, both on and off the job.
2. Respect the environment and your community.
3. Follow all local, state, and federal regulatory requirements.
4. Follow all company HSE policies and best practices.
5. Conduct thorough JSAs before beginning a task and each day.
6. Follow proper incident reporting procedures.
7. Proper use of stop work authority.
8. Ensure all guards, equipment certifications, and PPE are in place for all jobs.
9. Understand management of change.
10. Always be fit for duty.
